MONTHLY REPORTS

Corrections Report: Molly

The committee requests rent for the monthly meetings (\$30 for \$10/month) to club 12.

Approved!

-The committee continues to brainstorm new and exciting ideas to encourage more people to volunteer in their local jails, however, we do rely on AA members to encourage their sponsees and friends to participate in carrying the AA message to inmates. Current volunteers: please bring your sponsees with you on this wonderful journey!

-On Saturday November 15th we will hold our first annual corrections committee party. It will be centrally located in the district, and volunteers from all counties in district 05 are planning to attend. The event will be at the new AA club in Menomonie (105 N. 21st St.) from 1:00-4:00. The panel will consist of volunteers from different counties in district 05 and district 06, as

well as a professional from the Dunn county jail. There will be a potluck, then the main speaker, Jo MC from Montello, WI, who has 27 years of experience volunteering in correctional facilities.

-The Drug Court in Eau Claire County has requested that the current AA volunteers going into the Eau Claire county jail consider doing one-on-one visits with certain inmates. The corrections committee is open to the idea, but will need a question/answer time with Pat I, from Drug Court, prior to committing. After the committee has clarification about this, it will have to be explained to each volunteer in order for each individual to determine whether or not they will participate.

Public Information Report: Myron

The committee held a regular bi-monthly meeting August 20th at the River Falls Alano Club with 6 members in attendance.

We moved forward with our efforts to identify volunteers for the Drug Court support effort. We now have 13 River Falls area members who have offered their help, and their contact information has been provided to the drug court coordinator.

With the start of the school year, we also renewed our efforts to match volunteers with school guidance counselors, especially in the smaller towns on the west side of the district. This project is progressing slowly, but steadily.

The committee held an extra monthly meeting on September 17th, specifically to finalize plans for the Anonymity Workshop held October 18th in River Falls. Six members were in attendance.

The workshop had approximately 30 people in attendance. We were very pleased with the wide-ranging and in-depth discussion among the AA audience, as this was our stated goal in hosting the workshop. It is our intention that an Anonymity workshop should be an annual event in River Falls.

A second such workshop has been scheduled for January 31, 2015 in Menomonie. A flyer has been prepared and submitted for disbursement. Panelists have been identified, and planning is nearly complete.

Our final bi-monthly meeting of 2014 will be held Wednesday, Nov. 19th at 6:30pm at the Alano Club in River Falls. We will review committee activities for the year and look ahead to 2015.

Webmaster Report: Jason L.

The website is current with all submitted information as of 5:41pm today.

I anticipate no further budget expenses for this year's budget except for my previously pledged support of our Grapevine Rep's project.

Please submit meeting changes and flyers as soon as they are available and I'd be happy to get them posted.

I did move text from the body of the document to the header that 'nudges' people to check the website for the most current version.

NOTE: I did not send it to the secretary as I anticipated changes tonight regarding the Blair and Augusta meetings.

Intergroup Report: Bob

Bob gave a report on the inventory left of Big Books, Daily Reflections, and Literature that is left over at the old prices. Put your order in today, Bob Says!

Wicypaa Report: Shawna R

WICYPAA is now 2 months away and we are down to the wire on preparations. I received a letter to present to District 05 asking for group donations. Any help the groups can contribute would be gratefully appreciated. The WICYPAA programs Chair sent me a letter to present to this body at our monthly District meeting. I have given you copies of this letter to take back to your group conscious for consideration. Thank you! WICYPAA is now capable of registering attendees on line at www.wicypaa.org. Discounts on early registration ends on December 9th. We have an exciting event coming up. A 3 Legacy's workshop and spaghetti dinner will be held on Saturday November 22nd from 2-5. There will be panelists from Madison and the Twin Cities along with a few our local AA's, Helen I., Mark M., and John S. The speaker at Saturday Night Alive that night is Megan from a young lady from Madison. Finally WICYPAA has set up mobile capabilities and can register people using smart phones and card readers. If there is anyone who wants to register tonight and see how this works see me afterwards. You just need a Visa, MasterCard or American Express.

WISCONSIN CONFERENCE OF YOUNG PEOPLE IN AA

The WICYPAA 2015 Conference, hosted in Eau Claire, is seeking financial contributions/donations to cover the cost of items to be purchased for the Hospitality Room during the conference. Such items include: plates, napkins, plastic ware, beverages, coffee, sweetener, creamer, etc. Our hope is to create a hospitality area where people can gather for quality fellowship and unity. Any contributions will help provide the opportunity to do just that.

What is WICYPAA ?

The Wisconsin Conference of Young People in Alcoholics Anonymous meets annually. Everyone is welcome. We define Young People as anyone with room to grow. There are no age restrictions. In the past we have had people in their teens and in their seventies involved. The conference provides an opportunity for AA members from all over Wisconsin and the rest of the

world to come together to share their experiences, strength, and hope. Like any other conference, it is an opportunity to learn more about the program and sobriety.
