- No clubs? No problem. The entire course can be played with three clubs (a long iron, a wedge, and a putter) and we can help you find them at low/no cost.
- Not an avid golfer? Not a big deal. We have the course reserved during this time and you can be placed with golfers who can help you out.
- Of the competitive type? There will be good company for you, too.
- We really hope this will be a fun and intimate fellowship experience for everyone.
