DCM report for April 2020

Hello District 05, Shane Speckien alcoholic. I'd like to take this opportunity to say thank you to the GSR's, committee members, and officers for what you do for the alcoholic that still suffers. Since our last GSR meeting I've watched individuals work with their home groups and start up Zoom meetings which has inspired me. A special thanks goes out to our webmaster Robert for getting the zoom meetings posted on our website. These are unprecedented times with covid 19 and for an alcoholic to be isolated usually doesn't bode well for us, with that being said if you are looking to start up a zoom meeting for your home group there are many of us that can help! Since our last GSR meeting I've been attending to 2 to 3 Zoom meetings a week and will continue to hit different

need. How do we inform the public that Alcoholics Anonymous is alive and well during these difficult times? The committee decided to create an email that can be send to organizations traditionally served by the PI committee. The PI committee will be reaching out to media outlets, churches and other forms of disseminating publicly how to contact A.A. and how to find a meeting.

Our committee is interested in collaborating with CPC and Treatment on also getting this information into the hands of the professional community as well.

Our committee has discussed the possibility of doing a “virtual workshop on anonymity in the digital age” as well. Our committee intends to meet weekly to address the rapidly changing and emerging needs of our fellowship and the still suffering Alcoholic.

The District 5 PI Committee brings forth a motion that all meetings from Western Wisconsin that wish to be put on our district website be listed. We ask this as District 14, District 6, and District 7 have no active website and during these unprecedented times the still suffering alcoholic has no place to turn for meetings other than online.

Background, unreached Alcoholics continue to suffer all around us and District 5 is a situation to be helpful. Our meetings are widely accessible on www.district05.org and the A.A. meeting App. By adding any virtual meeting that is occurring in Districts 14,6, and 7 we could be carrying the message to a still suffering Alcoholic. This practice in not unprecedented and occurs in many districts where AA meetings are listed on their website to help carry the message. A small and section can be Page 2 of 4 added to our site that says similar to the following; Our neighboring communities have meetings as well.....

The District 5 PI Committee brings forth a motion that each meeting be identified by their geographic location, open/closed, and if it is a specialty meeting to ensure we maintain the integrity of our meetings. Essentially, we ask that any registered groups or regularly listed meetings that have gone virtual be listed as they are on our regular District 5 directory.

- Background, The still suffering Alcoholic knows little to nothing about Alcoholics Anonymous and when access the list of virtual meetings through the District 5 Website the directory does not indicate if the meeting is open/closed, region it is in, and if it is a specialty meeting. Our district needs to ensure we help protect anonymity by labeling meetings as open or closed, guide people to any specialty meetings they may be incline to attend and that the still suffering alcoholic be able to identity a meeting from a geographic area he/she wishes to in order to begin to con-

Question regarding what does CAB stand for – “Conducting Area Business”.

Question regarding Area committee meetings happening after the assembly so that motions do not need to wait until the following assembly. – Clarification stated it was not the scope of the survey or no responses indicated that.

Suggested that the Area Committee could discuss when the ACM could happen.

Question seeking clarification on difference between workshop and presentation. – Stated that it might be semantics and could be discussed at the assembly.

Clarification regarding “under the conclusion” Regarding area assemblies, 2 was the most popular and that 3 and 4 were tied. Asked about the trustee coming to facilitate elections and that there are no hotels for them to stay at – that was not discussed.

Comment shared that it is up to the assembly and committee meetings need to act on it.

Question regarding the report and the data and what should be questioned. Also stated that the report should consistently use lower case c or upper-case c regarding Area Committee Meetings and the Area Committee.

*"Area 74 CPC Area recommends "the Linked-In Page" of Alcoholics Anonymous be discontinued."
see appendix 3*

Question if this motion has already been discussed at the GSC as it is happening simultaneously and if passed, to move to inform her right away.

Comment that the spirit at the conference was not have the delegate check in once at the conference.

Committee member of CPC did not agree with the idea that Class-A trustees are allowed to be on public media platforms because they are not alcoholics. Follow up comment that this was regarding Class-A trustees posting their own information.

Comment regarding can we forward this our delegate?

Comment from GSR that a statement that saying "linked in" is not effective based on 80 clicks – we are not able to give meaning to that number. Additional comment that there was no information put forward that stated we are "depending on" Linked in" and that this is our only means and that it is replacing a different mode of carrying the message.

Comment agreeing with previous comment.

Vote was conducted: 42 total votes, 25-yes, 16-no.

Minority Opinion:

6th Step

Were entirely ready to have God remove these defects of character

Area 74 May minutes continued

The gist of the matter is that we are online and people can see who we are, we have traditions, and that the most important part of the background information is about the breaking of the traditions and that there was a lot of background being broken by this. The committee felt that until changes are made, they stand behind how the traditions are written.

Another comment with concerns about Linked-In being owned by Microsoft and that we should keep it pure.

Another comment that the perception of linked-in is that it is a business environment and that was a hat that AA should be wearing.

Another comment that 80 clicks on AA.org from linked-in seems very ineffective and virtually useless.

Another comment that the committee put a lot of work and research into this and we should trust what they did.

Another comment that the goal was to lead professionals to the website. The number of clicks is relevant to the effectiveness of linked-in guiding people to the website

Another comment that this has no place for AA.

Another comment people can take any post and post to someone else's pages and "put anywhere". The studies and articles they want to put on there would be a reputable source and there is no way to know who that is and have no control.

Another comment that if it is violating traditions there should be no questions.

Comments are vote to reconsider.

Vote to reconsider passed 25-18

Discussion to Resume

6th Tradition Our groups ought never endorse, finance or lend our name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.

Area 74 May minutes continued

Does not see the tradition violations listed in the background information and feels that the additional information is relevant to the motion

2 things stand out as newcomer; anonymity – keep in mind that we are talking about a social media platform. Promotion is also important. Believes that anytime you begin promoting on social media you put things at risk.

Another comment is that the reason I voted out was a friendly amendment was not approved by the body.

Another comment that the vote was not because it is not clear as to who/what this motion is going to. If the motion is for Panel 71 we could table it. What do we do with this vote?

Another comment on what traditions are being violated, tradition 4, tradition 11.

Another comment that perhaps we should consider tabling this for the following year as the chance for a floor actions is not likely.

Another comment that was looking for a button to abstain as he is not familiar with linked-in and trust his higher power the trusted servants of Area 74 are working for the good of AA and why he changes his vote to yes.

Vote to end discussion, passes 41 to 0

Vote to approve motion passes 38 – 6, vote passes with 84%.

• **Date** for General Service Conference Delegate Report Back – see appendix 4

Comment that if she is willing to travel around that it would be ideal.

Clarification if she can't give it at 3 lakes how can give it at district level?

Comment that gathering as an entire area should be available to hear the report.

Suggested that it be held at the fall conference and left up to Char decide.

6th Concept The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.

Comment that in favor of providing an opportunity that a report to get the information to districts and gsrs as quickly as possible.

Comment that pick a date 6/27/20 that a virtual report back be given.

Comment that we do not know what social distancing will look like in the future. Perhaps we can explore setting something up if need to convert to a zoom meeting.

Comment that we should have a virtual meeting and that Char expressed willingness and the delegate should go where asked.

Question regarding if Sara made a motion for 6/27/20 and if so, it would be seconded. Sara clarified she had not made a motion.

Comment that motion is supported and that Char would like to meet in person. Stated that just because "we are open for business" does not mean we are able to meet. Comments also that the need to meet soon is important due to recent financial concerns.

Motion: "Delegates report back from the 70th general service conference be held on Saturday, June 27th via Zoom platform."

Motion passed, 37-4, passes with 90%

Minority Opinion:

Comment that vote was no and you can still have an in-person meeting if you invite the delegate.

No revote:

Fall 2020 Conference regarding Covid-19 Bryon B – see appendix 5

Comment made that the unknown if the hotel is open to host a group of that size. Personal thought is that there is too much risk to ask this many people to come together.

What is the "drop dead date" – There is not one. Brian has asked for direction in 2 weeks.

Comment regarding Eau Claire County Health Department issuing order in regards to Stay-at-home.

Comment regarding it isn't safe to meet in person.

This motion is being presented so it can be addressed at today's Area Committee Meeting. It does not need a 2nd because it is coming from the PI Committee. This will be placed at the end of the Agenda to be addressed.

Michelle question – is this for Assembly or for ACM. Danni and Chair commented that this was brought up at Assembly so it can be moved to ACM agenda for discussion and direction from them.

Jeff C.: Point is to bring this through Assembly, to the ACM, so all DCM's can be informed of this at ACM, take back to groups and come to next Assembly prepared for discussion on this motion.

Secretary:

Good Afternoon Fellow Members of Area 74,

Thank you for the opportunity to serve as your alternate secretary for the past few months. It has been exciting navigating the twists and turns the road of happy destiny has laid before us. My goal is to get the minutes to the Officers, Committee Chairs, and DCM's in a timely fashion. In doing so I ask that you take the time to read them carefully and review with your own notes to ensure our accuracy. Much like our meeting today, it takes many people contributing to make it successful. The same, goes for our Area Minutes as well.

We will be having an election for secretary today and pending the outcome of that election I will be assisting in transitioning to the new secretary or if I shall be elected I ask the chair for a few minutes of tie to address the body with some requests regarding sending in your reports.

Thank you for trusting me to serve,

Dear Sara-

Warmest greetings from chilly New York.

Thank you for sending the request that AA Grapevine, Inc. "develop a digital service material piece in looped audio/visual format and make available for use and download by groups, GVRs, district & area Grapevine Committees and workshop presenters. This service material could be used in displays via tablet, smart phone or laptop to assist trusted servants in carrying the message of AA GV and therefore reach more alcoholics who still suffer. The looped presentation might include all things Grapevine: history, ways to subscribe, how to submit personal stories, etc." be sent to the 70th General Service Conference Committee on Grapevine.

Your request was presented at the AA Grapevine Board of Directors January 30, 2020 quarterly meeting. The Board reviewed this request with great interest and lengthy discussion and took no action as this matter is currently under management's review and will be discussed further at future AAGV Board meetings.

We at Grapevine truly appreciate your interest and suggestions. On behalf of the Grapevine Board, we extend our appreciation to the Area for their participation in the Conference process.

Yours in fellowship,

CAB Reloaded Ad-Hoc Committee Summary

Introduction (Dean)

My name is Dean and I am an alcoholic currently serving as Area 74 registrar. Phase one of this committee was the survey that ran from May through September of 2019. Char chaired that and got the entire project rolling so a huge thank you to her. She then got kind of busy in another position and I was elected chair for Phase two. Our current committee members are Pamela O. from District 12 (Pam has now moved back to Arizona), Renae S. from District 01, and Derek T., Kathy P. and I from District 20. It has been a great committee and I want to say thank you to everyone.

In May of 2019, the Area 74 Assembly approved the creation of this Ad-Hoc Committee to study the effectiveness, efficiency and facilitation of four Assemblies/Area Committee meetings per year. The Ad-Hoc Committee worked for several months to develop an Area 74 membership survey to look at the issue.

The survey was made available via email, hard copy and on the Area 74 website. There was solid participation. The committee collated the data and discussed it at length. The findings were presented to the Area Committee in September of 2019. The committee was then tasked with developing recommendations to the body based on the findings. In addition, the committee reviewed those items that received less than substantial unanimity support in the questionnaire and collated associated responses and comments. The committee's recommendations will be presented first, followed by comments on items that did not receive substantial unanimity support.

CAB Reloaded Ad Hoc Committee - Recommendations

- The committee reviewed response data from the survey. The data indicates, with substantial unanimity, that Area 74 finds [associated questions are cross-referenced parenthetically]: (Derek)
 - o Area 74 should hold Service Meetings (Assemblies and Area Committee Meetings) at Area 74 Conferences [Q1, parts 1 and 2]

Appendix 2(Cont)

- o Area 74 Election Assemblies should be held in a central location [Q2]
- o District Committee Members (DCMs) should be giving reports at the Area Committee Meeting and that these reports should be oral reports [Q12 and Q15]

6th Step

Were entirely ready to have God remove these defects of character

Area 74 May minutes continued

- o It is necessary that Committee Chairs give oral reports [Q14]
- o That there should be a standard agenda format for Area 74 Assemblies [Q16]
- o Workshops at Assemblies are beneficial [Q17]
- o Presentations at Assemblies are beneficial [Q17]
- o Sharing Sessions at Assemblies are beneficial [Q17]
- o Workshops at Area Committee Meetings are beneficial [Q18]
- o Presentations at Area Committee Meetings are beneficial [Q18]
- o Sharing Sessions at Area Committee Meetings are beneficial [Q18]
- **Therefore, the committee recommends the following** (Kathy)
 - o Area 74 should continue to hold Service Meetings [Assemblies and Area Committee Meetings] at Area 74 Conferences
 - o The semi-annual Area 74 Election Assembly be held in a geographically central location, such as Three Lakes, Wisconsin
 - o Area 74 Assemblies should continue to include oral reports presented by Area 74 Standing Committee Chairs
 - o Area 74 Area Committee Meetings should continue to include oral reports presented by DCMs within Area 74
 - o The Area Chair, in conjunction with other trusted servants, develop a standard agenda format for Area 74 Assemblies for review and approval by the Assembly. Further, the Area Chair develop standard agendas for specific Area 74 Assemblies, including, but not limited to:
 - "Normal" Assembly
 - Election Assembly

CAB Reloaded Ad Hoc Committee - Comments on questions that did not have substantial unanimity so we did not make a recommendation. (Dean)

3. Should the Delegate's Report be a standalone event (no assembly attached)? Majority—**No—52.2%**
 - Very slight support for not having a stand-alone event. Basically a 50/50 split
 - From survey comment section,
 - Yes, unless there is pressing business
 - The Ad Hoc Committee, therefore, makes no recommendation but would consider this topic appropriate for a workshop, presentation or sharing session.
4. Should the Area Committee meeting be held the same day as the Delegate's report? Majority—**Yes—59.1%**
 - Though there was about 60% support for this that means 40% did not support it.
 - From survey comment section,

6th Concept The Conference recognizes that the chief initiative and active responsibility in most world service matters should be exercised by the trustee members of the Conference acting as the General Service Board.

Area 74 May minutes continued

- o If the ACM was accomplishing something it would be great. The way things are now it doesn't matter.
- The Ad Hoc Committee, therefore, makes no recommendation but would consider this topic appropriate for a workshop, presentation or sharing session.

5. Based on the Area 74 Calendar, please select what would be the optimal number of **Assembly Meetings** per year and desired months.

- Though this data was looked at in multiple different ways; no response removed, by current, previous, or no service experience and by service positions the numbers did not change much. There is an almost 50 % drop-off in having more than two assemblies a year. Certainly, little support for the current 4 assemblies. April was the top month selected to have an assembly with October and September a close tie for second. While we are not prepared to make a recommendation on number or ideal months, we do recommend this goes to the Area Committee for further discussion.

- Though this data was looked at in multiple different ways; no response removed, by current, previous, or no service experience and by service positions the numbers did not change much. Two committee meetings a year was the top vote getter with a 10 % drop-off to 3 or 4 meetings. There is virtually zero percent support for our current 5 ACMs, if we include the optional August one. 6. Would Area 74 benefit from a Parliamentarian? (A Parliamentarian is an expert in meeting procedures serving as an advisor) Majority—**Yes--59.4%**

- About 60% support and 40% do not.
- From survey comment section,
 - o Do too much by letter as opposed to spirit of the law
- The Ad Hoc Committee, therefore, makes no recommendation but would consider this topic appropriate for a workshop, presentation or sharing session.
- 7. Is there a perception of the Area Committee having too much power/excessive authority? (Kathy)
 - o Majority—**No—56.4%**
 - o With little over half the respondents didn't believe the perception of the Area Committee having too much power/excessive authority, The Ad Hoc Committee has no recommendation, but discussion on the subject within a Workshop or Sharing Session would be appropriate.
- 8. Is the Area 74 Assembly effective at encouraging participation in general service and committee work?
 - o Majority—**No—56.9%**

 - o Majority-~~No~~- 57.1%
- Appendix 2(Cont)
 - o With a little over half the respondents didn't believe that Area 74 Assembly is effective in implementing sharing session feedback. The Ad Hoc Committee has no recommendation but maybe a Workshop would be appropriate.
- 10. Have Area Committees been effective at encouraging participation on their respective committees and general service as a whole? (Derek)
 - o Majority—~~No~~—61.2%
 - o A majority of respondents (but not a substantial unanimity) feel that Committees have not been doing their job in this respect. The Ad Hoc Committee, therefore, makes no recommendation but would consider this topic appropriate for a workshop, presentation or sharing session. Respondent comments included the follow recommendations:
 - o All standing committees should have monthly service calls and/or meet regularly
 - o Time could be set aside at Area Assemblies or Area Committee Meetings where in-person committee meetings could be scheduled
 - o Each standing committee should plan 2-3 annual service functions
- 11. Should the Area Committee be responsible for setting the Area Assembly Agenda?
 - o Majority—Yes—61.6%
 - o While not substantial unanimity, the majority of respondents believe the Area Committee should be responsible for setting the agenda. The Ad Hoc Committee, therefore, makes no recommendation but would consider further discussion appropriate during a sharing session or presentation.
- 13. Are Committee Chairs reporting often enough to the Assembly? Majority—Yes—59.0%

6th Concept

Area 74 May minutes continued

- o A majority of respondents feel the Area Committee Chairs are reporting often enough. However, over 40% said 'no'. The Ad Hoc Committee, therefore, makes no recommendation but would consider further discussion appropriate during a sharing session or presentation. Respondent comments including the following feedback:
 - Committees aren't doing much, so they don't have much to report
 - Electronic reporting is sufficient

Appendix 2(Cont)

- Conclusion (Rena)

- o One of the most significant takeaways from the data is that most respondents selected two (2) or three (3) as the ideal number of Assemblies per year. Four (4) per year was the third highest selected #. Two (2) was the most popular number of desired Area Committee meeting per year, with four (4) closely following. As this would be such an important decision, we felt this potential recommendation warranted further discussion by the Area Committee and if forwarded on, the Area Assembly.
- o The committee recommends:
 - Service meetings should continue to be held at Area Conferences
 - Oral reporting by Committee Chairs and DCMs should continue at Area 74 Assemblies and Area committee meetings, respectively
 - The semi-annual Area 74 Election Assembly be held in a geographically central location, such as Three Lakes, Wisconsin
 - The Area Chair, in conjunction with other trusted servants, develop a standard agenda format for Area 74 Assemblies for review and approval by the Assembly. Further, the Area Chair develop standard agendas for specific Area 74 Assemblies, including, but not limited to:
 - "Normal" Assembly
 - Election Assembly
 - Assembly following Delegate's Workshop
 - Delegate's Report Assembly following the General Service Conference

Area 74 Inventory Committee Report to the Area Assembly

May 16, 2020

The Area 74 Inventory can be found on the Area 74 website on the Home page. That address is area74.org

We have 14 responses to the inventory at this time. We hope to receive more prior to the August Special Assembly.

The Committee has not had much luck with finding a facilitator for this Assembly. The members which have been contacted were not available for this timeframe.

6th Tradition Our groups ought never endorse, finance or lend our name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.

Area 74 May minutes continued

I guess the next question would be do we need to reschedule the August Special Assembly?

The thoughts of the Committee are that doing the Inventory in person would be much more helpful. But we are not sure how many people would attend or even if the Reiter Center will be open at that time. If it is open – how many of you would show up in August?

I did check into Zoom Conference Rooms, it can be done, but it would cost \$49.00 per room, per month.

Thank you very much,

Committee Members

“Area 74 CPC Area recommends “the Linked-In Page” of Alcoholics Anonymous be discontinued.”

Area 74 CPC Committee **recommends** with unanimity to the Area 74 Assembly that:

“The LinkedIn page of Alcoholics Anonymous be discontinued.” In addition, we **recommend** that the Area Delegate carries this Area Conscience to the 70th General Service Conference.

We recommend the following actions to carry out this recommendation:

- If a recommendation similar to this comes to the floor of the 70th GSC then our Delegate votes yes to discontinue LinkedIn or;
 - If no agenda item to discontinue LinkedIn is brought to the floor, then we request our Delegate to present this as a floor action or;
 - If our Delegate is unable to introduce this agenda item, then we would ask that it be sent to the GSC Coordinator as an agenda item, along with our background for the 71st General Service Conference.
- LinkedIn is not effective.
 - o The total number of LinkedIn users is 476 million. There were Total page visits in November 2019 of 692 with ONLY 80 clicks to visit aa.org.

Area 74 May minutes continued

- § Would a professional go to LinkedIn when they may go directly to aa.org or A.A.W.S.?
- Advertising on LinkedIn
 - o LinkedIn cannot prevent Ads from appearing on a Company Page. Web ads (called “promoted content” by LinkedIn) appear on the far-right column of LinkedIn pages.
 - § This could lead to an appearance of Affiliation or Endorsement, Actual or Implied, and promotion.
 - § Tradition Six “While an A.A. group may cooperate with anyone, such cooperation ought never to go so far as affiliation or endorsement, actual or implied.”
 - § Tradition Eleven “Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.”
- Keeping in mind the responsibilities as outlined in the AA Service Manual our committee believes a CPC presence on LinkedIn usurps responsibility from local C.P.C. committees or discouraging face-to-face interactions with professionals.
 - o GSO presence on LinkedIn discourages face to face interaction between an AA Member and the Professional
- Use LinkedIn to broaden the reach of our “About A.A.” newsletter. “Request that the professionals who are quoted or profiled in the issues post about the newsletter to reach their LinkedIn connections”
 - o How is quoting professionals providing the message of AA? Or are we promoting professionals and their views?
 - § This could appear as Seeking Prestige
 - § Tradition Six: “An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.” This Tradition reminds us never to give the impression that A.A. itself, or any A.A. group, endorses (or opposes) or finances any other enterprise, no matter what our individual opinions may be. It also points out that seeking prestige always creates problems for us.
- Broaden the search for Class A Trustees

Appendix 3(Cont)

- o Feature openings for Class A Trustees on our Company Page, “push the information out by posting the opening to all our followers”, “we could push the information out by posting the opening to LinkedIn Groups” and “target certain professions”
 - § Pg. S68 The AA Service Manual “The General Service Board nominates Class A trustees after an extensive search and interview process that begins by asking current and past members of the board, directors, delegates, and G.S.O. and Grapevine staff to submit names and background information for “friends of A.A.” to fill a vacancy.”

6th Step

Area 74 May minutes continued

- § Are we changing the process for finding Class A Trustees?
- § Our committee does not see a need to “broaden” the search for Class A Trustees.
- § We believe that “targeting” audiences do not follow AA Principles.
- § We believe that “pushing” for candidates from a “Company Page” sends a conflicting AA message of what AA is about.
- § This type of searching might encourage “Professionals” to apply that have no interest in the AA Fellowship, understanding of AA Principles and are only applying to embellish their resumes.
- “post pieces from current and past Class A Trustees and other professionals who are friends of A.A.”
 - § We believe that publishing Class A Trustee sharing on a public media platform does not follow our AA Principles or past traditions.
 - § Looking at our AA history sharing by Class AA Trustee’s was normally accomplished through professional journals and talks at professional conventions and the like.
 - § Tradition 11 (long form) says, in part, “Our public relations should be guided by the principle of attraction rather than promotion. There is never need to praise ourselves.

Concluding remarks in background

- LinkedIn effort usurps what should be the domain of group members and local committees. “We have 1.5 million members US & Canada. (2019 GSC Report pg. 58) That should be an adequate resource to carry the message to professionals. If we show up and keep with our primary purpose of helping alcoholics, then we don’t need to promote and professionals will respond accordingly.”

Area 74 May minutes continued

- Regarding the need for more recommendations of Class A Trustees, "rather than depending on LinkedIn we should be improving lines of communication within the Fellowship to make members more aware of this need and how to answer it."

Appendix 4

Greetings Area 74,

As the Virtual General Service Conference is happening now (literally). The earliest I can have the report finalized is Monday June 2, 2020. I am available to travel to Districts to give the report when the stay at home order is lifted. I understand that it is probable there will be limitations on the size of the gathering and the Reiter Center may not be an option, that is why I am willing to travel.

If two or three or four districts combine to host an event for the Delegate's Report back keeping in mind the limited capacity of attendance per state regulations this would thrill me to be able to give the report in person.

As I was talking with a long-timer about this it was mentioned that "this is the way it was done in the past". As we entered a new dimension with the virtual conference perhaps we can bring some of the small t back to the Delegate Report Back event.

As of now I will not be available the weekend of June 19-21, 2020 unless of course

Marinette, the city, can schedule something on the Saturday afternoon. I can take time from my Vacation. Please note I will have no online availability this weekend.

I also understand that many people are in love with Zoom and this could be a possibility. However please keep in mind that talking to my computer at home, the same as the conference and the same for the 3 months I have been asked to worked from home is not my ideal.

I miss all of you and look forward to when we can see each other.
