- **DCM-** Shane S report for May 2021

Greetings District 05, wishing that you and your family are doing great and staying safe! I do not know about you, but the other night I was looking at our district calendar and it is filling up New Flyers and events for this summer which is extremely exciting to see. Starting this weekend, we have our Area 74 Spring Conference hosted by District 20 via Zoom. Please go to Area74.org for more information. Unfortunately, I will not be attending this spring conference for family reasons, but my hope is that many of you will represent our district as I know you will. Then coming up in June, Recovery on The River is hosting an Event at Mt. Simon Hillside Pavilion for their first event of the year leading up to the Jamboree in October. Then in July our Public Information Committee is going to the Northern Wisconsin State Fair, July 7th – 11th. There they will have a booth in which they are looking for your service to help carry the message. Please contact PI@district05.org for more information. As contributions come into our District, it is great to see that we are not sitting on the money but putting it to good use for the still suffering Alcoholic in and out of the rooms.

In Love and Service!

Shane Speckien Alcoholic!
