Corrections: some people are in contact with Jim looking to write letters with people incarcerated. GSO recommends using the PO box of the district or the area. Jim wants to know if it is alright if he purchases an extra key for the PO box (\$18) so he can regularly check it for correspondence.

Area 74 meeting update: meeting lasting from 0900-1700 on 10/30/21.

- **Take back to your groups:** Is anyone interested in an area service opportunity to run the equipment during area meetings/events to make them hybrid? Could also consider making this a paid position like when a group hires an ASL interpreter.
- Treatment committee had their elections. They were only able to fill one position. They have 3 coordinator positions available for elections. Pass it on.
