April 2021

DCM Report, March 2021

Greetings District 05: This past month has been a busy time for us in service work. Thank you to all who attended our first District 05 Pre-Delegates workshop on Feb. 20. All and I thought the workshop went well with the purpose to go over the agenda items and background information presented from GSO, and to prepare our GSRs for the delegates workshop held on March 6.

A big shout-out to Nicholas S, Shane R, and Sarah P., our past delegate, for helping make our first pre-delegates workshop a success! My hope is that our district will continue to have this in the years to come.

At the delegates workshop, Bryon B., our Area 74 chair, facilitated a great hybrid meeting at which there was about 15 in attendance up at Three Lakes, Wisconsin. There were roughly 30 in attendance on the Zoom platform. The day went well with a few minor hiccups.

The purpose of the workshop that day was to go over the information presented by GSO and to better understand the material, so that when Area 74 meets on April 10 at the assembly our GSRs and committee chairs will be prepared to give feedback on how their homegroup or committees feel on matters

that affect AA.

I also attended the Area 74 committee meeting following the delegates workshop. There we approved the minutes from Dec. 20, DCM reports where given, and the delegates report.

In unfinished business, there was an update on Area 74 Inventory Ad Hoc Committee. Cindy from eastern United States will be facilitating the Area 74 inventory. Twenty-one questions will be announced at the assembly on April 10 and will remain open until April 30. There will be a link on the Area 74 website to view and answer the questions, and it will be anonymous. These questions will be available to all our fellowship in Area 74.

Any questions you can contact Shane R or Jim M. from District 06. There was also an update on structure and guidelines at Area 74. They will be approved April 10 at the assembly. Lastly, we set the agenda for the assembly on April 10.

4th Concept At all responsible levels, we ought to maintain a traditional “Right of Participation,” allowing a voting representation in reasonable proportion to the responsibility that each must discharge.

Join a rotating cast of seasoned AA's for an **in-depth study** of the book *Alcoholics Anonymous* (4th Ed.) complete with historical references, confirmed sources, term definitions and context.

Breakout sessions after the main reading/presentation each week will allow participants to discuss salient points, share notes, and deepen their understanding of the basic text that alcoholics all over the world use to recover from alcoholism.
