## District 5 DCM report from June

I hope all is well with you and your families and that  
you are staying cool in this heat wave!

What is going on in our district? Lots!

Our public information committee has been  
extremely busy carrying the message to the public.

In July they are working in conjunction with District 06 to display a booth at  
the Northern Wisconsin State Fair.

Our annual "Recovery on the River Jamboree" will be held in October.  
There will be supporting events held prior to the October event. For more  
information visit [recoveryontheriver.org](http://recoveryontheriver.org).

As contributions continue to come into our district it is uplifting to see the  
money put to good use carrying the message into treatment centers and jails, to  
the public, and hosting various events throughout the year. I was also thinking  
that we as a District could use some of our group's contributions to host a  
summer or fall picnic?

Since our last District 5 meeting, I continue to facilitate the Area 74 DCM

call held on the last Tuesday of every month. Out of the 24 Districts in Area 74 there are about 10 of us who come together, study the concepts and talk about what's going on in each of our Districts.

I was asked by our corrections chair, Derek, to talk at the Eau Claire County Jail which was amazing. Derek has done a wonderful job keeping in contact and building a solid relationship with the jailor there.

In closing, groups are looking forward to holding in-person meetings for the first time in about a year. With the return to in-person meetings please be mindful and courteous. Consider that others may have a different level of comfort than yourself think about others when it comes to handshakes and hugs. Our purpose is to be of maximum service to God and our fellow man.

Until then may God protect you in his loving arms.

In love and service,

Shane Speckien, Alcoholic!

### 7th Concept

The Charter and Bylaws of the General Service Board are legal instruments, empowering the trustees to manage and conduct world service affairs. The Conference Charter is not a legal document; it relies upon tradition and the A.A. purse for final effectiveness.
