### **Correction's Report**

Derek, Jim and I met and Postal Patti joined us.

Discussed upcoming panel at the Eleva Pot Luck.

Tremp Jail sending letter defining the reaction they see from AA meetings at the county jail. We plan to use with other sheriffs to try and bring AA into their facilities. Discussed the need for Spanish speaking committee members to help Spanish speaking persons of incarceration.

The pot luck panel went well, in my opinion. We had interest from a group from Pierce County about reopening their jail to AA. Another person from Durand attended and is interested in bringing AA back into the Pepin County Jail. We committed people and resources to their efforts.

### **PI Report**

The District 05 Public Information Committee has met on March 14th as well as April 11th since the last report was given.

There will be a PI Booth at the International Fall Festival on September 10th from 11am-5pm. We will be looking for volunteers to help staff the booth.

Contact was made with District 06 about the PI Booth at the Northern Wisconsin State Fair as it is technically held in District 06. I will be attending their District Meeting to further discuss details with them as they are interested in helping staff the booth.

Contact has been made with BowlWinkle's. They offer advertisements on their monitors for \$250 for a year. We are just waiting for them to confirm the details and payment. Information on Alcoholics Anonymous and how to find us has been posted on Craigslist with the revised image that has the QR code linking to the District 05 Webpage.
