### **Reports**

#### **DCM Report**

Now and Then:

- **The agenda for the upcoming assembly in May is in the area newsletter.**
- The agenda includes a motion out of district 18 from last year. A separate document is attached to this email regarding this motion. You should familiarize yourself with the information, discuss with your home groups, and be prepared to discuss at the assembly. Of note, this motion is in reference to a \$5,000 contribution to GSO from area 74 which came from a motion put forward by the Flimsy Reed Group.
- The newsletter says there are still 40 rooms available for the upcoming spring conference? At the last assembly we were told that there were not any rooms left. If you are wanting to go in person I would suggest calling the hotel to confirm. The registration form with contact information for the hotel is attached.

- If you are not receiving the area newsletter by email you either have not filled out a group change form or your change form hasn't been processed yet. If either are the case, please reach out directly to [registrar@area74.org](mailto:registrar@area74.org) for assistance.

Flyers:

- Please make sure you are announcing the events being shared with you. If you are an online or hybrid meeting, consider screen sharing. If in person, consider printing and having available for people. I've had members of district 5 ask me why they aren't hearing about these events at their meetings. It's really up to the GSRs to make sure this is happening. Lots of work goes into these events, please do your part by spreading the word.

In love and service,

Shane
